

Complaints Policy

September 2022 - 2023

It is acknowledged that in any college or academy there will be times when a student, group of students or a member of the community think they have reasons to feel distressed either during class or during a treatment.

It is therefore essential that our academies have a proper mechanism to allow such persons to bring this complaint to the attention of the management at The London Hairdressing Academy and to ensure that the management deals with it in a fair and impartial manner.

Please see the complaints procedure document below for details.
